

Walter Zegveld and the introduction of clusters in the innovation policy debate

Patries Boekholt

Managing Director Technopolis Group

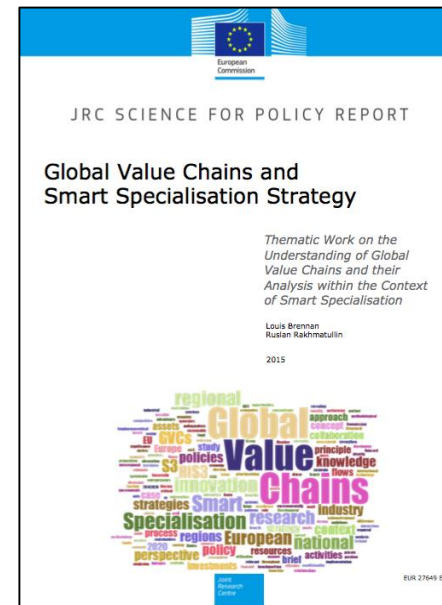

Back in the day

The 'meso-level' in the innovation policy debate today ...

Smart specialisation strategies

NL Top-sector Policy

Implications for the future of innovation policy....

- A large share of ‘clusters of economic activity’ will change shape and become more complex...
 - *Innovation in the cross-overs...*
 - *Digitisation*
 - *Servitization*
 - *Grand Societal Challenges*
 - *Social innovations*
 - ...
